**STIPULATION AND ORDER  
EXTENDING DISCOVERY AND  
EXPERT DEADLINES**

Complaint filed: March 2, 2009  
Trial Date: November 1, 2010

STIPULATION

WHEREAS, the Case Management Order dated November 17, 2009 sets the expert disclosure deadline for May 3, 2010, the non-expert discovery deadline for May 17, 2010 and the expert discovery deadline for June 17, 2010;

WHEREAS, all parties are still in the process of collecting and producing relevant documents and information, and key depositions remain to be taken;

WHEREAS, Keker & Van Nest LLP recently substituted in as counsel of record for the Qwest Defendants on March 30, 2010 and needs additional time to become familiar with the documents and issues in this case;

WHEREAS, the parties agree that thirty (30) additional days are necessary to complete non-expert discovery and for experts to prepare reports based on that discovery;

WHEREAS, the parties also agree that neither the summary judgment hearing date of July 30, 2010 nor the trial date of November 1, 2010 need to be changed to accommodate the desired extension of discovery and expert deadlines;

NOW THEREFORE, IT IS HEREBY STIPULATED that:

1. The date by which the parties must disclose expert witnesses shall be extended to June 3, 2010;

2. The date by which non-expert discovery must be completed shall be extended to June 17, 2010; and

3. The date by which expert discovery must be completed shall be extended to July 16, 2010; and
